2010 Trout Order

- Place orders by **May 10, 2010**
- Pick up orders **May 17, 2010**

at the Somerset County SWCD parking lot, 12 High Street, Skowhegan ME

You must have a permit when ordering & the permit must be with you to pick up the fish.

Permits are issued by MAINE Department of Inland Fisheries and Wildlife in Augusta. The fee they charge is \$10.00 for a 5 year permit. Applications for the permit are available online (www.maine.gov/ifw), at the Somerset County SWCD office, or send us a business size, self addressed, stamped envelope to the address above with your request for an application.

We require your stocking permit information when you order.

FISH STOCKING PERMIT NUMBER _____

Effective Date _____ Expiration Date _____

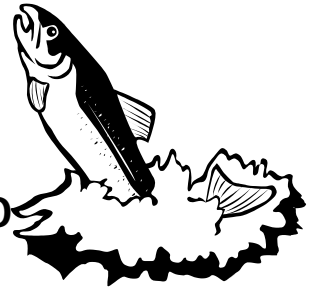

STOCKING GUIDE

<u>Pond Surface Size</u>	<u>5-6" & larger</u>	
¼ acre	50	The number of fish a pond can support depends on many factors including water temperature, available food, flow of water through the pond, depth and surface area. Surface area is the best factor to use as an estimate.
½ acre	100	

All programs and services of Somerset County Soil & Water Conservation District are offered on a non-discriminatory basis. Somerset County Soil & Water Conservation District is an equal opportunity employer.
