**You must have a valid stocking permit when ordering  
and the permit must be with you to pick up the fish.**

Permits are issued by Maine Department of Inland Fisheries and Wildlife in Augusta. IFW charges \$10.00 for a 5 year permit. Applications for the permit are available online [http://www.maine.gov/ifw/licenses\\_permits/pdfs/fishstock\\_privatepond.pdf](http://www.maine.gov/ifw/licenses_permits/pdfs/fishstock_privatepond.pdf) at the Kennebec County SWCD office, or linked through our website [www.kcswcd.org](http://www.kcswcd.org) . Call 622-7847 x 3 with questions or for more information.

### STOCKING GUIDE

<u>Pond Surface Size</u>	<u>5-6" &amp; larger</u>	
1/4 acre	50	The number of fish a pond can support depends on many factors including water temperature, available food, flow of water through the pond, depth and surface area. Surface area is the best factor to use as an estimate.
1/2 acre	100	

**If the permit is in your name but you are having someone else pick up your fish, they must also be named on the permit! Contact IF& W for details**
